

SWATCHA ANDHRA - SWARNA ANDHRA

15.03.2025

THEMES: "AVOID -SUPs PROMOTE RESUABLES"

The students, the teaching and non-teaching staff met in the King Room i.e. Room No. 105 to discuss on the activities to be taken place on the third Saturday of March, 2025. As per the theme given by the state government the students are categorized into many sections and they have done the activity of cleaning the campus and promoting the reuse of plastic.

As per the theme given the students have done flower vases with the recycled water bottles. The Department of Chemistry

The Department of Botany made boundaries to the plantation with the waste bottles.
